

A technical line drawing of a vehicle chassis component, likely a cross-member or frame rail. The drawing shows various mounting points, bolts, and a chain on the left side. A leader line points from the text 'MB991895' to a specific hole on the upper part of the component. Another hole on the right side is labeled 'MB92906'. The bottom right corner of the drawing is labeled 'ACB04322AB'.
