

A technical line drawing of a mechanical assembly. A vertical shaft is shown with a small black mark near the top. Below the shaft, there is a complex assembly of parts, including a cylindrical component with a flange and a smaller circular part. A horizontal arm extends from the right side of the assembly. Two callout lines point to specific parts: one points to the shaft and is labeled 'MB990938', and the other points to a component on the horizontal arm and is labeled 'MB991203'. The drawing is a black and white line art style.
