

Door sash tape

The diagram shows a cross-section of a door sash tape being applied to a door frame. The tape is shown overlapping the frame by 2 mm. A dashed circle highlights the overlap area. An arrow points to the overlap with the text 'Overlap: 2 mm'. Another arrow points to the tape with the text 'Door sash tape'. The door frame is shown with several parallel lines representing the sash tape's structure.

Overlap:
2 mm
