

★ 1 Throttle position sensor (main)	● Accelerator pedal position sensor (main)
★ 2 Throttle position sensor (sub)	● Accelerator pedal position sensor (sub)
★ 3 Intake air temperature sensor	● Oil pressure switch
★ 4 Manifold absolute pressure sensor	● Alternator FR terminal
★ 5 Engine coolant temperature sensor	● Alternator L terminal
★ 6 Detonation sensor	● Battery current sensor (LIN)*
★ 7 Camshaft position sensor	● A/C pressure sensor
★ 8 Crank angle sensor	● Fin thermo sensor
★ 9 Oxygen sensor (front)	● Blower fan signal <Manual A/C>
★ 10 Oxygen sensor (rear)	● Brake monitoring switch <CVT>
★ 11 Brake booster pressure sensor	● Ignition switch-IG
	● Ignition switch-ST
	● Power supply
	● CAN communication (input signal)

☆ 1 Throttle valve control servo	● Ignition coil
☆ 2 Injector	● Engine control relay
☆ 3 Oil feeder control valve	● Fuel pump relay
☆ 4 Purge control solenoid valve	● Starter relay
	● Throttle valve control servo relay
	● Alternator G terminal
	● Oxygen sensor (front) heater
	● Oxygen sensor (rear) heater
	● A/C compressor relay
	● Fan motor relay (low)
	● Fan motor relay (high) <CVT>
	● CAN communication (output signal)

*: Vehicles for Argentina
