

A black and white line drawing of a car engine, viewed from a front-three-quarter perspective. The engine block is the central focus, with various components like the timing belt, belts, and hoses visible. Two specific points are highlighted with callouts: a 'Filler plug' on the left side of the engine block and a 'Drain plug' on the bottom right side. The drawing is clean and technical, typical of a service manual.

Filler plug

Drain plug
