

A line drawing of a mechanical assembly, possibly a part of a vehicle's interior or engine compartment. The drawing shows a complex structure with various components, including a large rectangular block, a cylindrical component, and a smaller cylindrical component with a knob. A rag is draped over the large rectangular block, and a thin rod or wire is inserted into a hole in the block. The word "Rag" is written below the rag, with a line pointing to it. The drawing is a technical illustration, likely from a manual or repair guide.
