

A technical line drawing of an engine's internal components, specifically the valve timing chain mechanism. The drawing shows the timing chain, camshaft, and various timing components. Two hands are shown using tools to adjust or inspect the chain. The text 'MB992103' is located in the upper left, 'Valve timing chain' is in the middle right, 'Insertion standard line' is at the bottom center, and 'AC507118AB' is at the bottom right.
