

A technical line drawing of an engine component, likely a control valve. The drawing shows a complex assembly of pipes, valves, and mechanical parts. A large, ribbed cylindrical component is prominent on the right side. The drawing is rendered in black lines on a white background. Two labels are present: 'Oil feeder control valve' on the left and 'Oil pipe' on the right. A part number 'AK703833AD' is located in the bottom right corner.

Oil feeder control valve

Oil pipe
