

A technical line drawing of a ratchet release mechanism. The drawing shows a central rectangular component with several features: a circular hole on the left side, a hexagonal hole at the top center, and another hexagonal hole at the bottom center. A small circular hole is located on the right edge of this component, with an arrow pointing to it from the text 'Ratchet release hole'. To the right of this component is a vertical assembly consisting of a series of rectangular blocks stacked vertically, and below that, a separate U-shaped component. The drawing is a black and white line art illustration.
