

A technical line drawing of an engine component, likely a carburetor or distributor, with a vacuum hose and gauge. The drawing is a black and white line art illustration. A vacuum hose is connected to the engine component and runs towards the left. A gauge is mounted on the hose. The engine component has several ports and a circular base. The text "Vacuum hose" is written in a sans-serif font, with a line pointing to the hose. The drawing is set against a background of diagonal lines.

Vacuum hose
