

A technical line drawing showing a mechanical assembly. A hand is using a screwdriver to install a plain washer onto a bolt. The assembly includes a central circular component with a threaded hole, several other bolts, and a bracket-like structure. A callout shows a close-up of the plain washer being placed on a bolt. The text 'Plain washer' is written next to the callout. The part number 'MB990767' is written near the screwdriver, and 'AC602425AB' is written in the bottom right corner.

Plain washer
