

MB990843

The image shows a technical drawing of a mechanical assembly, likely a valve or actuator, in a cross-sectional view. The drawing is oriented vertically. A central horizontal shaft or rod passes through the assembly. On the left side, there is a threaded section with a nut. A callout line points from the text 'MB990843' to a small circular feature on the shaft. On the right side, another callout line points from the text 'MB990998' to a similar circular feature on the shaft. The assembly consists of various housing parts, seals, and internal components, all shown in a simplified line-drawing style.
