

Cable rod

A technical line drawing of a vehicle's rear suspension assembly. The diagram shows a central cable rod connected to a lower control arm. An adjusting nut is positioned on the cable rod. The assembly is mounted on a frame with various brackets and bolts. Two arrows point from the labels 'Cable rod' and 'Adjusting nut' to their respective parts. At the bottom of the frame, there are two circular symbols, each containing an 'x', and a central vertical line.
