

A technical line drawing of a car's rear quarter panel and wheel assembly. The drawing shows the rear wheel, the fender, and the rear suspension components. A hand is shown holding a cylindrical part, likely a hub or bearing, near the wheel. A vertical line with a dot at the end points to a specific location on the fender, labeled 'MB990784'. Another line with a dot at the end points to the upper edge of the fender, labeled 'Overfender'. The drawing is a black and white line drawing with no shading or color.
