

A line drawing of a car's gear shift lever. The lever is in the center, with a hand shown gripping it. The gear shift knob has a rectangular plate with the letters 'P', 'R', 'N', and 'D' visible. Above the knob, there is a small circular hole. A line points from the text 'Shift lock release hole' to this hole. The background shows the car's floor and the lower part of the seat.

Shift lock release hole
