

MD998719

A detailed line drawing of a mechanical assembly, likely a part of a vehicle's suspension or steering system. The drawing shows a complex arrangement of metal components, including a large gear-like part in the center, various brackets, and a vertical rod. Three callout lines point to specific parts: MD998719 points to a bracket on the left, MB990767 points to a vertical rod on the right, and AC507554AB points to a small pin or bolt at the bottom right.
