

A detailed technical line drawing of an engine component, likely a valve train assembly. The drawing shows various parts including a central circular component, several bolts, and a bracket-like structure. Two callout lines with dots at the end point to specific features. The text 'Rocker arm' is positioned to the left of the upper callout. The part number 'MD998443' is located in the bottom right area, and the code 'AC507904 AB' is at the very bottom right.
