

MD998767

This is a technical line drawing of a mechanical assembly. The drawing shows a complex arrangement of parts, including a central component labeled MD998767. This component is a rectangular block with several circular features, possibly ports or mounting points. It is connected to various other parts, including a long, thin rod extending from the top right, a curved bracket-like part at the bottom right, and several other structural elements. The drawing uses clean, black lines on a white background, typical of engineering specifications.
