

MD998801

The diagram shows a technical drawing of a mechanical assembly. A central vertical shaft is shown with a circular component, labeled MD998801, mounted on it. This component has a flange-like base. Below this assembly is a rectangular plate, labeled AKX00257 AC, which is secured to a base by two bolts. The drawing is a line-art representation, showing various mechanical details like threads, flanges, and mounting points.
