

A detailed line drawing of an engine, likely a V-twin, shown from a front-three-quarter perspective. The engine is mounted on a frame, with various components like the cylinder heads, valves, and timing chain visible. Two specific parts are highlighted with leader lines and text labels. The 'Filler plug' label points to a circular opening on the top of the right-hand cylinder head. The 'Drain plug' label points to a circular opening on the bottom of the left-hand cylinder head. The drawing is a technical illustration, likely for a manual or repair guide.

Filler plug

Drain plug
