

A line drawing of a mechanical assembly, possibly a part of a vehicle's suspension or steering system. The drawing shows a central vertical rod with various components attached. To the left, there is a component labeled 'Adjuster' which has a cable-like structure extending from it. To the right, a component is labeled 'Cable rod'. The assembly is mounted on a base with two circular openings. The drawing is a technical illustration showing the internal structure and components of the assembly.

**Adjuster**

**Cable rod**
