

Plug **N**

The diagram shows a mechanical assembly with a central component being inserted into a housing. The component has a circular face with a central hole. An arrow points from the text 'Plug N' to this central hole. Another arrow points from the text 'O-ring N' to a circular groove on the side of the component. The assembly is mounted on a base plate with several screws. To the left, there are two horizontal assemblies with springs and electrical connectors. The entire drawing is a black and white line art.

O-ring **N**
