

A detailed technical line drawing of an engine component, likely a valve train assembly. The drawing shows various parts including a central circular component, several bolts, and a bracket-like structure. Two callout lines with circular endpoints point to specific parts of the assembly. The text 'Rocker arm' is positioned to the left of the upper callout line. The part number 'MD998443' is located in the bottom right area, and 'AC507904 AB' is at the very bottom right.
