

A detailed black and white line drawing of an engine compartment. A hand is shown on the right side, holding a pressure gauge connected to a hose. The hose leads to a component labeled 'Variable geometry actuator' in the center of the engine. The drawing shows various engine parts, hoses, and electrical wiring. The text 'Variable geometry actuator' is written in a bold, sans-serif font across the middle of the image. In the bottom right corner, the alphanumeric code 'AK801720AB' is printed.

**Variable geometry actuator**

**AK801720AB**
