

MD998903

The image is a technical line drawing of a mechanical assembly, likely a turbine or compressor section. It features a central hub with a rotor or impeller mounted on it. The rotor has several curved blades. The assembly is surrounded by a complex housing with various internal components and bolted flanges. Two callout lines point to specific parts: one points to a component labeled MD998903, and another points to a component labeled MD998924. The drawing is a black and white line art style.
