

A technical line drawing of a vehicle's front wheel and suspension. The wheel has a multi-spoke alloy rim. A small, rectangular TPMS transmitter is mounted on the inner side of the wheel hub, indicated by a dashed circle and an arrow. The suspension components, including the lower control arm and steering knuckle, are shown to the right of the wheel. The text 'TPMS transmitter' is located at the bottom left, with an arrow pointing to the transmitter. The code 'ACC02921 AB' is at the bottom right.
