

MB990834 or  
MB991163

The image is a technical line drawing of a vehicle door hinge assembly. It shows a vertical hinge pin passing through a door frame and a door panel. A callout line points from the text 'MB990834 or MB991163' to a specific component on the hinge pin. The drawing includes various bolts, nuts, and structural elements of the door and frame.
