

A technical line drawing of a fog lamp assembly. The drawing shows the lamp housing on the right and an air guide panel on the left. A circular callout with a black arrow points to a specific component on the air guide panel. A leader line points from the text 'Air guide panel' to the panel itself. Another leader line points from the text 'Fog lamp assembly' to the lamp housing. The drawing includes various mechanical details like bolts, clips, and mounting points.
